## I

1. My name is Daphne Thein. I was born in July 24th, 1921.
2. My Sister's name is Violet Thein. She was born in May 31st, 1923.

My mother passed away when I was five years old, and my sister was three years old. My father passed away when I was nine years old, my sister seven years old. My father's name was Saw Mg Thein. He was inspector of police. My mother's name was Naw Shwe Chone. She was a house keeper.

Our grand parents and aunties took care of us. My grandmother was a nurse, and my grandfather was a gardener.

We started go to school when I was nine years old and my sister seven years old, at K.G. We got a stipend from the Police Department, enough for food and education, nothing to worry.

## II

My grandfather was a gardener that's why we got different kinds of fruits, vegetables, meat, eggs and milk. Anybody could come and take anything they needed. They could take anything for free.

Our school was A.B. M Girls, A.V Middle School. We could learn education, also music, home arts, sewing, knitting and drawing.

I graduated from high school, then went to Teacher's Training, while my sister went to Nurses Training.

When I was 20 years old, I was graduated from Teachers Training. As soon as I graduated, I went to the jungle to help my Karen people. They were very poor. The fathers were working as revolution soldiers, while the mothers were working in the farms and in the orchards. Nobody took care of the children. It is Htee Hta village, Karen Revolution Head Quarter.

## III

When the leaders saw the need for educated people more than before, they opened a High School. Tharamu Ester was Head Mistress. I taught at that school twelve years. Then I married Daniel Tun Baw and moved to Namkhan, Gordon Seagrave Hospital.

My husband was a Pastor, I was a teacher. We had two sons: Wilfred Tun Baw and Daniel Tun Baw. When they passed Middle School, we sent them to Rangoon to high school, college and university level so they may became good leaders for the next generation.

My children stayed with their aunties and uncles. My husband passed way when he was seventy, I was seventy two. I left Namkhan and moved to Tam Hin camp in Thailand to help my people. I taught the children for eight years, until we got permission to move to America.

We reached America in October, 2005. As soon as we reached America, Pastor Bill helped take care of everything and help us until today.

May God bless Pastor Bill and his family and all American citizens, who have shown their love and kindness to our poor people.
