A devotion for November

A Spirit of Unity

May the God who gives endurance and encouragement give you a spirit of unity among yourselves as you follow Jesus so that with one heart and mind you may glorify God. Romans 15:5

A V-formation is used when geese and ducks migrate south to a warmer climate. The V-formation is used because of two important reasons: 1) it conserves their energy and 2) it is easier to keep track of every bird in the group. Birds take turns being in front, falling back when they are tired. Fighter pilots often use this formation too.

We don't use the V-formation when we meet on boards, committees, and council, but the same ideas also apply. By working together rather than individually, we conserve energy and we keep track when someone is absent.

God loves it when we work together, listening to each other's ideas and sharing our own ideas. Whatever we do, our main purpose should always be to glorify God, as we each do our part in whatever task needs to be accomplished.

In the Bible verse above, God gives us endurance and encouragement as we follow Jesus with one heart and mind glorifying God. God's spirit works in and through us as we work together in a spirit of unity. Unity doesn't necessarily mean that we all think and feel the same, but that we're willing to work together in accomplishing what needs to be done. Having a spirit of unity means that we pray for each other.

God uses us to serve and accomplish great things. It is through God's grace that we become the people God intended us to be. It is by God's power working through us that others see and understand God's message of love and hope. God blesses us so that we might see the fruit of what God is accomplishing at FBC and throughout the world.

Prayer: God of unity, give us a spirit of unity that we may glorify you in all we do. Amen.=
